# CARMEN RAMOS

Junior Front End Developer

SPANISH NATIVE | ENGLISH FLUENT

PROFILE

Publicist trained as a Front End developer. My previous experience helped me develop skills, such as: communication, conflict management, adaptability, functions well under pressure, teamwork, emotional intelligence, and English language to a high level.

My interests and my willingness to face new challenges made me explore the programing world. I love to solve new and differents problems and keep learning everyday.
I've come to stay.
